National Day, or the Grand Duke's Official Birthday, is a national holiday celebrated in Luxembourg on June 23.

This holiday began in the early 1800s as a way to celebrate the Grand Duke or Duchesses birthday. The date of the national holiday was officially set on June 23 in 1961 by Grand Duchess Charlotte because her actual birthday was on January 23, and winter is not the ideal season for a party! The current Grand Duke Henri's actual birthday is on April 16.
